Dear Parents and Caregivers,

This term Year 5 will be learning about how the discovery of Gold affected Australia’s development. As part of this unit of work we have booked the Year 5 excursion for Thursday 23rd March to Friday 24th March, 2017 to The Bathurst Gold fields. This excursion is a fun filled learning experience for the children.

We will send more details home closer to the dates in regards to this excursion.

Please complete the permission form attached and return to school by Friday Week 3, 17th February 2017. The total cost of the excursion is $205, these fees have been included in your account for 2017. Please ensure your fees are up to date so that the portion for the camp has been paid before Friday Week 5, 3rd March 2017.

Please advise if you currently hold a Senior First Aid Certificate and/or a Bus Licence and are able to accompany Year 5 on this excursion.

Thank you

Emily Snelgrove
