

Procedure for ordering lunches -

1. Write the order on a paper lunch bag - don't forget your child's name and class. If you don't have lunch bags please write the order on an envelope, with the money enclosed - **add 10cents for a lunch bag to be provided.**
2. If ordering a drink, please include a second bag - this way we can separate the hot and the cold food.
3. Write the prices of the food and the total cost.
4. Write on the bag how much money you have enclosed for payment.
5. Send the order with your child in the morning.
6. Children will be reminded when they go into class to put any lunch orders in the class lunch crate.
7. Two students will bring the class lunch crate to the canteen in the morning and then collect it five minutes before lunch.

For our new parents, especially the first time Kinders -

Don't worry about your child forgetting to put their lunch order in - just like most things at big school this is new to them and something they have to learn. The teachers will remind them in the morning and they will be checking that the students have lunch to eat. If anyone forgets, and there are always a few, we will sort it out for them and make sure they are fed, we just don't want to make a habit of it.

We only have orders for lunch. At recess the children line up to be served and buy what they want - for the first few weeks their Year 6 Buddies will help them with this.

Ice blocks and Slushies **CANNOT** be pre-ordered. Children have to line up to buy these.

Example of lunch order.....

Mary Smith K- Gold	
Sausage Roll	\$2.20
Tomato Sauce	20c
Chocolate Milk	\$1.60

Total	\$4.00
\$4.00 Enclosed	

Mary Smith K- Gold	
Drink Bag	
Chocolate Milk
