21st<sup>h</sup> October 2020

Dear Parents and Carers,

Next Friday 30<sup>th</sup> October 2020, Year 2 will be enjoying a Science based incursion by Jollybops Science Shows. This incursion is in place of the Year 2 excursion which was unfortunately cancelled due to Covid-19 restrictions.

Students will watch two interactive shows related to their learning in Science this year:

Show 1: 'Moove and Groove with Energy' - exploring forms of energy and their uses.

Show 2: 'Mix it Up' - looking at properties of materials, chemical reactions and how we interact with and use the chemical world around us.

These Science shows will take place within the school grounds. Students will attend school as a regular school day in their sports uniform.

We are looking forward to an educational and exciting day of Science fun!

Kind regards,

Year 2 Teachers
