

Qkr! Guide

St Mary's Primary School has launched Qkr (by MasterCard) as an easy to use, secure app for making school payments from your mobile phone, laptop or tablet. Qkr! will accept payment using a credit/debit card (except American Express) and has a simple checkout function. No information is stored on the mobile phone. At this stage we will start using Qkr for canteen online ordering and other functions will become available in the near future.

From Wednesday April 21st 2021 students and staff can place online food and drink orders for lunch. Please refer below for more information. The app is quite straightforward to set up and we encourage parents to give it a go.

Getting started.

Step 1. Download Qkr! on your Android phone, iPhone, PC, laptop or tablet via Google Play or the App Store. (iPad users can download iPhone App)

Step 2: Register - Select your Country of Residence as 'Australia' and follow the steps to register

Step 3: Select St Mary's Catholic Primary School, Toukley. Search for Toukley and St Mary's will come up.

Step 4: Register your children. When first accessing your Qkr! menu, you will be prompted to register your child – name, gender, grade and class. You can add a profile for each child you have at school. This allows you to make school payments on their behalf.

Placing an online lunch order.

Step 1. Once set up you will see two headings – "Menu" and "Profiles". When you tap on the Menu tab it will bring up the "Canteen Menu" and you can place a lunch order through here.

Step 2. You will be presented with a two week calendar view when placing food orders. You can order up to two weeks ahead, but for daily orders the **cut off time will be 9am** – the app will not allow you to place an order for the same day after 9am. Tap on the date you want for the lunch order.

Step 3. You will see the lunch menu come up on your screen under different headings. Swipe across the headings until you get to the type of food you want.

Step 4. Tap on the food you want to order. Here you can select quantity, add any extras or special instructions. Then "Add To Cart". Repeat for all items you would like in the lunch order. If you are ordering for more than one child you can switch between children by tapping your child's name at the top of the screen.

Step 5. Checkout. When you have completed the order and are ready to pay tap on the "Checkout" button and complete the payment steps.

Below you will find Qkr! tips for parents and each week we will include a tip in the newsletter. If you have any difficulty setting up Qkr! please give the office a call.

TIP OF THE WEEK

Q. How do I use the calendar display when placing food orders?

A. For ease of use, you are presented with a two week calendar view when placing food orders. The calendar makes it easy for you to place orders for a particular child on a particular day.

To place a food order:

1. Open Qkr! and tap on your canteen menu.
2. On the calendar view tap the date next to your child for which you want to place the order. If you have registered more than one child, the calendar view enables you to place individual orders for each child for different dates. If a date is greyed out you cannot place orders for that date, either because the canteen is not open, or because it is past the cut-off time for that day's orders. Check with your school to confirm the cut-off time.
3. Browse the menu, select items, and add them to your cart.
4. If you are ordering for more than one child you can switch between children by tapping your child's name at the top of the screen.
5. When you are ready to pay, tap 'Checkout' at the bottom of the screen and complete the payment steps.

TIP OF THE WEEK

Q. How can I remove unwanted items from my shopping cart?

A. It is easy to remove or amend items in your shopping cart prior to paying for them.

1. Open Qkr! and tap 'Activity'.
2. Under 'Active Carts' tap on your school.
3. Tap on the order or item you want to remove or update.
4. Tap the garbage bin icon to remove the item from your cart; or Tap the pencil icon to update or amend the item in your cart.

TIP OF THE WEEK

Q. How can I be sure my child's food order has been received by the school?

A. Qkr! is the safe, secure, reliable way to pay for school food orders. Your eReceipt is confirmation that the order has been received by the school.

On canteen days the staff print stickers for each Qkr! order containing the child's name, class and order details. Orders are prepared and placed in individual bags labelled with the stickers for ease of identification.

Qkr! orders are much more efficient to prepare than cash orders. Ordering with Qkr!:

1. Speeds up preparation so canteen staff have more time to prepare and serve food;
2. Reduces the time spent on cash handling tasks;
3. Reduces the need for your child to carry cash to school, so no more worrying about lost lunch money.

Check your school's nominated cut-off time for Qkr! Orders. Food orders cannot be placed after the cut-off time, giving the canteen staff sufficient time to prepare the orders.

TIP OF THE WEEK

Q. Can I copy this week's orders to next week?

A. You can save time by copying food orders from the current week to the next week within the calendar view. This is a handy way to save time and quickly re-order your child's favourite lunch orders.

1. Open Qkr! and tap on your canteen menu.
2. Tap 'Repeat Order' for the next week, and tap 'Yes' to confirm you want to copy the orders for the current week to the next week.
3. Once you have copied the current week's orders to your cart for the next week, you can amend the next week's orders by tapping on a date and adding other items, or by tapping 'Checkout' and selecting items to amend or delete. This allows you the flexibility to amend your copied orders for a specific day or for a specific child.

TIP OF THE WEEK

Q. How are Qkr! Refunds processed?

A. Qkr! refunds for food orders:
To reduce school costs, cancelled food orders are refunded as credit for future orders. Refunded items are shown in red on your eReceipt confirming that an item/s or order has been cancelled and a credit is available for future food orders. The value of any outstanding food order credits will be automatically be deducted from your next Qkr! food order.

Qkr! refunds for all other payments (non-food):
