Term 4 – 2022

We are already in Term 4 – can you believe it?!

We hope everyone had a great holiday and are ready for another great term to complete the year.

We saw many families last term as we celebrated Grandparent's and Father's Day and the brilliant Explosion of Colour Fun Run. We hope everyone who has supported our community events this year have enjoyed the experience, made some new friends and feel connected to our school community.

We look forward to hosting yet another fun community event in Term 4, Week 2. Our St. Mary's Cinema Under the Stars is something to put on your calendar and look forward to. Please see further details below.

Our last event of the year will be celebrating World Teacher's Day with a special morning tea for the St Mary's staff to thank them for their support, kindness, and ongoing dedication to our kids. Please see the 'sign up' link below to see how you can help or contribute and share a special message of thanks.
