

Kindergarten 2026 Parent Workshop

We invite all Kinder parents to attend our Kinder Parent Information Workshop, Monday 16th February 2026, at 2.30pm.

1. Learn about the specific routines for using 'decodables', the readers your children will bring home each night for their homework. This is essential information for building reading success at home.

2. Hear about the way your children have started the year and also learn about any key routines your child will learn this term and this year. We also look forward to sharing the ways your family and our school can work in partnership.

REGISTER BELOW

Younger siblings are welcome to attend with their parents.

This session will be held in the library.

My name:

Child's name and class:

☐ I will attend the 2.30pm workshop.
